CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records

LETTER OF COLONEL ELIAS BOUDINOT. WRITTEN FROM
VALLEY FORGE IN 1778.

ON GENERAL WASHINGTON'S STAFF. HIS COMMISSIONER OF
PRISONERS TO THE BRITISH AT NEW YORK, ETC., ETC.

- 45 50 —
- 145 A most important and valuable letter from Col. Elias Boudinot, Washington's Com. Gen'l. of Prisoners, to his wife. Written from the celebrated winter camp of Valley Forge, near Phila. and dated January 1st, 1778, 3 months before Washington's army marched east to meet Gen. Clinton's at Monmouth. Written on New Year's night. He says "perhaps the lives of many of our beloved brethren in captivity depend on my stay, I knew the way of duty was the way of Peace and safety." * * * "I prefer the sweets of domestic life" * * * "—to all the enjoyments of an Eastern nabob." "I would rather be the respected ruler of my own house than Commander in chief of the army of the United States of America." * * * "Our army is so bare of cloathing, that in this severe season above one half are without cloaths—few have shoes sufficient to enable them to be out so as to build their hutts." News of General Smallwoods brigade, who captured a vessel driven ashore, loaded with clothing sufficient for four regiments, 1500 stand of arms, dry goods, etc, "a very rich and valuable prize." "we got officers, 60 men and 30 officer's ladies, etc." "so that I suppose now I can pick and choose as I am commissioner Gen'l. of Prisoners." "I shali at least get some very new fashions from them." "How shall I hereafter relish my poor old country wife, after a sight of so much finery," etc. "A long folio letter in very good state addressed to Mrs. Boudinot at Baskingridge, and at left. "Elias Boudinot, Com. Genl of Pris." Exceptional piece and very rare. Should bring a price.
